

August 1, 2011

You are cordially invited to participate in Redwood Memorial and St. Joseph hospitals' 13<sup>th</sup> Annual Eel River Valley Family Health & Resource Fair. This year's event promises to have more for everyone!

Sponsored by Redwood Memorial and St. Joseph hospitals and held in conjunction with the Apple Harvest Festival, this year's event will be held on Saturday, Oct. 1 from **10 a.m. to 2 p.m.** in the Rohner Park Fireman's Pavilion located off of Park Street in Fortuna.

Created 13 years ago, this health fair specifically addresses the growing health and resource needs of the Eel River Valley communities. We strive to keep up with those needs by offering up-to-date health information and services, and we encourage all participating providers to offer written materials in both English and Spanish.

An application form is available online at [www.redwoodmemorial.org](http://www.redwoodmemorial.org). **Please fill out the application form and return it with table/chair reimbursement check to guarantee your participation. The DEADLINE for all required paperwork is Sept. 2.** Please contact Brian Olson at 764-5239 should you have any further questions.

Due to limited space in the Fireman's Pavilion, we can only offer you one table space, to help accommodate as many providers as possible. **We no longer offer the option to bring your own table, and apologize for any inconvenience this may cause.** Electricity is extremely limited; however, we will do our best to accommodate your needs.

Should you misplace any information regarding the health fair, all forms are available online at [www.redwoodmemorial.org](http://www.redwoodmemorial.org).

To your good health!

*Brian Olson*
